Northcoast Youth Summit March 19

Youth are invited to participate in the 2016 summit. This dynamic one-day event empowers two to three hundred 7th-12th grade students from the Northcoast with tools and skills to be positive agents of change that impact their world. The keynote speaker will be a local young adult, Connor Callison. Mr. Callison graduated from Eureka High School and was the 2015 winner of Humboldt County Office of Education's INNOVATE! For information or to register please visit the NYS Facebook page or give us a call.

Take Me Out to the Ballgame

Baseball and carrots were a home run in Humboldt County's Junior Giants program this past summer. The Boys and Girls Club of the Redwoods and EFNEP, the UCCE's nutrition program. met on the field and formed a new team. The UC staff adapted the nutrition curricula to complement the baseball program lessons and created a winning combination. In all, over 250 youth from three communities participated in the Junior Giants program. Next time you see a Junior Giant in your neighborhood ask them about their vegetable home run! For information please visit UCCE EFNEP or give us a call.

University of California
Agriculture and Natural Resources

We are dedicated to improving the quality of life of Californians
by developing and delivering research-based information in
agriculture and natural resources,
and by supporting healthy families and communities.

Facebook   Website

We have excellent resources on many subjects, including
growing vegetables and fruit trees, how to address pests of the home and
garden, range and forest management and curriculum for 4-H projects.
