Master Food Preserver / Northcoast Youth Summit

December 2016

2017 Master Food Preserver Training

Want to learn, help others, and have fun with canning, pickling, freezing, and drying foods? The Master Food Preserver training starts with an orientation on January 21, 2017. The training will take place every Monday night and every Saturday throughout February. After taking the training volunteers offer demonstrations and workshops to share

NYS:Building Bridges March 18, 2017

Teens are invited to the 14th Northcoast Youth Summit that will take place on Saturday March 18th! "Building Bridges" is the theme for this year's program. The planning team has been working to prepare another exciting summit for youth from across the Northcoast. Teens will hear from inspiring keynote speakers, learn new skills, and create lasting

home food preservation techniques. To learn more about the program and to find an application please visit our [website](#). The application deadline is January 10, 2017.

friendships. For the most up-to-date information and please Like, Follow and Share us on our Facebook [Page](#).

University of California Agriculture and Natural Resources

We are dedicated to improving the quality of life of Californians by developing and delivering research-based information in agriculture and natural resources, and by supporting healthy families and communities.

Facebook

Website

We have excellent resources on many subjects, including growing vegetables and fruit trees, how to address pests of the home and garden, range and forest management and curriculum for 4-H projects.
